

QD885//NuHide Saddle Bag

Fabric Composition: Full Grain Leather Look NuHide PU

Recommended area size for decoration (WxH in CM):

Showcased decoration method – Transfer Print
(123//Adkins swing head heat press used in example)

1. Set the temperature to the heat press to 145 degrees, medium pressure, timer at 25 seconds
2. Lay the top flap onto the platen, position a silicon pad under the desired print area (be careful not to do this over the magnetic closure), cover the surface with a polyester fleece sheet and pre-press for 5 seconds
3. Attach the transfer onto the product in the desired location with heat resistant tape
4. Relay the polyester fleece sheet over the surface and continue to press
5. Slowly remove the backing paper and leave it cool

**Personalisation and decoration can be applied in many areas. The above illustrates the easiest recommended area on this product.*

Other recommended decoration methods:

1. Embroidery

- 12cm hoop recommended for decoration area
- Be careful not to embroider through the magnetic closure

2. Applique

- Different types of patches and badges can be easily hand sewn/ironed on to compliment this style
